Maximize learning and engagement during small group instruction

When the teacher works with small groups, it is essential that they keep the rest of the students engaged, independent and productive. Attendees will learn strategies to support student independence and engagement which frees up the teacher to engage in small group instruction.

Topics of study:

- Crucial skills to build engagement, understanding, and independence “out there”
- Successful transitions to increase independent learning
- Enhanced learning environment

Educators love Managing Multiple Small Groups:

- Techniques are practical and easy to implement
- Skills help educators maximize limited instructional time with students

Students respond to Managing Multiple Small Groups:

- Students are more productive, self-directed, and responsible
- Students are happier and more engaged with learning and have fewer removals
